As a part of its periodic review of the Debtor's efforts to obtain the Employee Retention Credits ("ERC") from the Internal Revenue Service ("IRS") in order to pay Wise Properties' Cure Claim under the Plan, the court held a status conference on July 17, 2024, at 10:00 a.m. (EST). As discussed at the telephonic status conference and in light of the parties' ongoing communication and cooperation, the court does not find cause to set another telephonic status conference. Accordingly, it is
